

Sign Grant

As part of the suite of incentives offered by the Bandera EDC, the EDC Board of Directors recognizes the importance of professional, adequate signage to businesses within our community. Signage serves to identify location, services, historic status and other communication to the public.

Per Local Government Code Chapter 505, Sec. 505.158. PROJECTS RELATED TO BUSINESS DEVELOPMENT IN CERTAIN SMALL MUNICIPALITIES, the Bandera EDC, as a Type B corporation authorized to be created by a municipality with a population of 20,000 or less, can fund projects found by the board of directors to promote new or expanded business development.

The EDC will reimburse the cost of the materials, installation and permit fees of commercial signage up to 50% of the total signage costs and in an amount not to exceed \$500. All applications will be considered on a first-come, first-served basis, and must be submitted a minimum of 7 business days prior to the regular Bandera EDC meeting during which the applicant would like to be considered.

All signage included in the Sign Grant application must comply with the codes and ordinances of the City of Bandera and be located within the Bandera City Limits. Sign permits must be issued prior to submission of an application for a Sign Grant, and applicants must provide proof of compliance as well as total receipts as part of the application process. The BEDC will consider all applications on a case-by-case basis. Attendance at the meeting during which your application is considered is recommended.

Signs that do not qualify for the Sign Grant include:

- Residential Signage
- Vinyl or other window applications
- Billboards
- Signage not on the property of the business for which the sign is intended
- Address numbers
- Sexually-oriented businesses
- Warning, trespassing, towing or private property signage
- Directional signs

For questions regarding the application or application process, please contact:
