

Façade Improvement Grant

The Bandera EDC recognizes the importance of supporting the ability of a business to have an attractive, accessible and professional frontage that positively communicates to residents and visitors its place in the fabric of the community. To assist building and business owners with improvements that will positively impact the image of Bandera and conform to the City's Comprehensive Plan, the Bandera EDC offers, as part of its suite of incentives, a Façade Improvement Grant. This grant covers repairs, improvements to or additions to the primary façade exterior of an existing building within the Bandera City Limits, as well as permit fees.

Per Local Government Code Chapter 505, Sec. 505.158. PROJECTS RELATED TO BUSINESS DEVELOPMENT IN CERTAIN SMALL MUNICIPALITIES, the Bandera EDC, as a Type B corporation authorized to be created by a municipality with a population of 20,000 or less, can fund projects found by the board of directors to promote new or expanded business development.

To qualify for a Façade Improvement Grant, the project must:

- Meet all of the applicable codes and ordinances of the City of Bandera
- Receive a permit for any work as required
- Be located within the City Limits of Bandera
- Be used for commercial business purposes
- Be current on all taxes

The EDC Board of Directors will evaluate applications based on the following criteria:

- Future contribution of the property to the property tax revenue of the City of Bandera
- Future contribution of the business to the sales tax revenue of the City of Bandera
- Location of the building and frontage street of the business
- The nature of the improvements to the building
- Consistency with the City of Bandera Comprehensive Plan
- The age and condition of the building for which the grant is sought

The Bandera EDC will reimburse project costs up to \$10,000. There is no matching requirement for this grant. All applications will be considered on a first-come, first-served basis and according to available funds, and must be submitted a minimum of 7 business days prior to the regular Bandera EDC meeting during which the applicant would like to be considered. Applicants will be required to provide proof of compliance with city regulations as well as proof of project costs. Applications will be considered on a case-by-case basis, and the Bandera EDC makes final determination on all applications.
