

Promotions Funding

Per Local Government Code Chapter 505, the Texas State Statute governing the activities of Type B Economic Development Corporations, of which the Bandera EDC is one, Type B EDCs can expend up to 10% of their annual revenues on events and promotions that serve to facilitate economic development and increased tax revenues for the City of Bandera.

In accordance with this standard the Bandera EDC annually sets aside a specific amount that is available to the community to support events and promotions that meet the following criteria:

- The event or promotion is within the Bandera City Limits, or contributes to expenditures in the City Limits that are subject to sales taxes
- The event or promotion is consistent with promoting a positive image of Bandera to residents and visitors alike
- The event or promotion is open to all members of the public, although a fee for participation may be charged
- The event or promotion has received all appropriate permits and approvals by the governing authority

All applications will be considered on a first-come, first-served basis and according to available funds, and must be submitted a minimum of 7 business days prior to the regular Bandera EDC meeting during which the applicant would like to be considered. Applications will be considered on a case-by-case basis, and the Bandera EDC makes final determination on all applications, contingent on approval by the governing jurisdictions.
