

Warrants

Failure to dispose of your citation in a timely manner will result in a warrant be issued for your arrest. When a warrant is issued, an additional \$50 warrant fee is added, and an additional \$30 OmniBase fee is added to suspend or deny issuance of your driver's license. You could also be charged with a Violate Promise to Appear or a Failure to Appear case with fees up to \$646.00 in addition to the original warrant offense.

Paying a Warrant Online

You may pay an active warrant using the [online payment system](#), but you remain subject to arrest until the court has processed your payment and recalled the warrant. This may take up to three days. To ensure the **immediate** recall of a warrant, appear in person to pay or call 830-793-3456.
